

LEAN SIX SIGMA

CLAIM AND SHARE YOUR DIGITAL BADGE

LEAN SIX SIGMA ACADEMY

Claim & Share your digital badge

- A new way to share your Lean Six Sigma exam achievement and broadcast your certified skills to your future employer or any other interesting party.
- In just a few clicks, you can claim and share your digital badge directly to LinkedIn, Twitter or Facebook

You did it! Congratulations on your achievement!

We are glad to have you onboard and have partnered with [EXeed](#) to host your badge. To claim it, you need to activate your [EXeed](#) account. Once you have activated your account you will be able to access your badge, manage your profile, and share your success with your network on social media.

You receive an e-mail from Lean Six Sigma Academy to activate your Exeed account.

Welcome to EXeed™, the Open Badging Platform

EXeed is a badging platform that allows organizations to issue Open Badges to individuals and other organizations in a secure, online environment. Open Badges allow you, as a recipient, to show your value to the world. In contrast to, for example, a certificate, a badge provides immediate access to information about how you earned the badge, and maybe more important, it is actively validated by the issuer.

You own the badge and only you decide whether or not you show your capabilities to the world. By default the account you have created is a private account and any badges issued is only visible to you. By claiming your badge, creating a public profile and using your badge in your signature and/or sharing your badge on popular social media, you will be able to allow anyone viewing it to instantly verify your skills.

Badging is gaining immense popularity in the world. By using the open standard of Open Badges the EXeed platform enables you to create your backpack for all your earned badges at EXeed with different organizations within your account or to export the badges from your account to an external backpack.

Continue to your account and tell the world about your newly earned skills.

Share your badge (Method 1, in LinkedIn)

- Go to your profil page → Click on the three dots of the badge → Choose the social media that you want to share

Share badge on LinkedIn

Please click 'Add to Profile' button at the bottom of the page.
The system will redirect you to the 'Add certification' form on LinkedIn.
Use Copy/Paste feature to fill target fields from current view on the opened form.
Clicking on the 'Share to my newsfeed' button will allow you to directly share your badge on LinkedIn's newsfeed, after securely submitting your login credentials.

Certification Name

Certification Authority

Time Period

Certification URL

Kopieer de link

Add to Profile

Fill out the form (LinkedIn does not copy this information automatically)

The screenshot shows the 'Add licenses & certifications' form in LinkedIn. Red callout boxes with blue arrows point to the following fields:

- Fill out badge description:** Points to the 'Name' field containing 'Lean Six Sigma Green Belt Theory Exam'.
- Fill out LSSA:** Points to the 'Issuing Organization' dropdown menu showing 'Lean Six Sigma Academy (LSSA)'.
- Paste here the URL:** Points to the 'Credential URL' field containing 'https://app-exeed-ota.exin.nl/badge/ XXXXXX'.

Other visible elements include a checked box for 'This credential does not expire', 'Issue Date' (December 2020), 'Expiration Date' (empty), 'Credential ID' (empty), and a preview of the badge on the right. The preview shows the LSSA logo and the text: 'Lean Six Sigma Green Belt Theory Exam', 'Lean Six Sigma Academy (LSSA)', 'Issued Dec 2020', and 'See credential'. At the bottom of the form are 'Save and add another' and 'Save' buttons.

Add to your newsfeed on LinkedIn. The badge can be shared or liked.

Share your badge (Methode 2, in Exeed)

- Click on your badge → Visit the badge page → Choose the social media icon below your badge

The screenshot shows a digital badge page for 'Lean Six Sigma Green Belt Theory Exam'. The badge is circular with the LSSA logo and the text 'Lean Six Sigma Green Belt Theory Exam'. Below the badge, there is a 'Verified' status and a description of the badge holder's knowledge. The page also includes a 'What it takes to earn this badge' section, a 'Standards' section, and a 'You could share badge on:' section with social media icons for LinkedIn, Twitter, and Facebook. A red arrow points to the LinkedIn icon, and a red box contains the text 'Let's take LinkedIn as an example.' Below the social media icons are buttons for 'DOWNLOAD BAKED IMAGE' and 'MAKE INVISIBLE'.
